

# Your Dream Job: How to Get It and Excel

## Outstanding Features

*Your Dream Job* demonstrates in an easy-to-understand, step-by-step manner how individuals can land and thrive in their dream job. Based upon the authors' extensive literature review, local research and valuable advice from leading human resource practitioners, the book shows you how to:

- Identify your dream job
- Write impressive resumes and cover letters
- Create a positive first impression
- “Nail” your job interviews
- Thrive in your chosen career

## Endorsements

“This book is a highly informative, comprehensive and practical career guide with numerous self-assessment exercises, checklists and samples of job-hunting tools. It provides fresh graduates and other job seekers valuable advice on how to succeed in the highly competitive twenty-first century workplace.”

– Dato’ Thomas George, Secretary General,  
Ministry of Human Resources, Malaysia

“Everyone has a dream job, but not many people are able to transmute dreams into reality. Ranjit and Wahab have provided a detailed roadmap on how you could make your dream job happen. *Your Dream Job* is a must-read for those who want the stuff of dreams translated into the substance of reality.”

– Professor Dato’ Dzul kifli Abdul Razak,  
Vice-Chancellor, Universiti Sains Malaysia
